This will verify that your report of reception of RADIO BARBADOS on 16 December 1963 was correct. Barbados is a British Colony and the Easternmost island in the West Indies chain.

RADIO BARBADOS is operated by the Caribbean Broadcasting Corporation, a Government statutory board. It is a commercial broadcasting station designed to serve Barbados and the Leeward and Windward Islands. It is managed by the Thomson Television (International) Ltd. Consortium and is served by Television International Enterprises, Ltd. as international sales representative.

RADIO BARBADOS will go directional on January 20, 1964, to concentrate our signal in a North-Northwestern direction. At that time we will also begin broadcasting 17 hours a day from 6:00AM to 11:00PM (AST)

We appreciate very much you taking the time to write and, if possible, would you please let us know after January 20 if we are still being received.

Comments:

The most distant report thus far is Malmo, Sweden.

Best personal regards,
